

# Hitting the Road

|: |: A cism fism B E A Gis Cis :| x 2 :| x 3

You and I we're hitting the road  
southbound for the sea  
and we dance on the beach,  
in the sunset, you and me.

The two of us we're taking the bus,  
no matter what comes around,  
we're riding 'long the road to the sea,  
dancing on the beach you and me.
